# Cookies Policy

This is the Cookie Policy for [www.TonaldToken.com](http://www.TonaldToken.com), accessible from [www.TonaldToken.com/Cookies](http://www.TonaldToken.com/Cookies).

## What Are Cookies

As is common practice with almost all professional websites, this site uses cookies, which are tiny files that are downloaded to your computer, to improve your experience. This page describes what information they gather, how we use it, and why we sometimes need to store these cookies. We will also share how you can prevent these cookies from being stored; however, this may downgrade or 'break' certain elements of the site's functionality.

## How We Use Cookies

We use cookies for a variety of reasons detailed below. Unfortunately, in most cases, there are no industry-standard options for disabling cookies without completely disabling the functionality and features they add to this site. It is recommended that you leave on all cookies if you are not sure whether you need them or not, in case they are used to provide a service that you use.

## **Disabling Cookies**

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of this and many other websites that you visit. Disabling cookies will usually result in also disabling certain functionality and features of this site. Therefore, it is recommended that you do not disable cookies.

## **The Cookies We Set**

- **Email newsletters related cookies:** This site offers newsletter or email subscription services, and cookies may be used to remember if you are already registered and whether to show certain notifications which might only be valid to subscribed/unsubscribed users.
- **Forms related cookies:** When you submit data through a form such as those found on contact pages or comment forms, cookies may be set to remember your user details for future correspondence.

- **Site preferences cookies:** In order to provide you with a great experience on this site, we provide the functionality to set your preferences for how this site runs when you use it. In order to remember your preferences, we need to set cookies so that this information can be called whenever you interact with a page affected by your preferences.

## **Third-Party Cookies**

In some special cases, we also use cookies provided by trusted third parties. The following section details which third-party cookies you might encounter through this site.

- **Google Analytics:** This site uses Google Analytics, which is one of the most widespread and trusted analytics solutions on the web for helping us understand how you use the site and ways that we can improve your experience. These cookies may track things such as how long you spend on the site and the pages that you visit so we can continue to produce engaging content. For more information on Google Analytics cookies, see the official Google Analytics page.

- **Third-party analytics:** Third-party analytics are used to track and measure usage of this site so that we can continue to produce engaging content. These cookies may track things such as how long you spend on the site or pages you visit, which helps us to understand how we can improve the site for you.
- **Testing new features:** From time to time, we test new features and make subtle changes to the way that the site is delivered. When we are still testing new features, these cookies may be used to ensure that you receive a consistent experience whilst on the site whilst ensuring we understand which optimizations our users appreciate the most.
- **Purchases statistics:** As we sell products, it's important for us to understand statistics about how many of the visitors to our site actually make a purchase, and as such, this is the kind of data that these cookies will track. This is important to you as it means that we can accurately make business predictions that allow us to monitor our advertising and product costs to ensure the best possible price.
- **Google AdSense:** The Google AdSense service we use to serve advertising uses a DoubleClick cookie to serve more relevant ads across the web and limit the number of times that a given ad is shown to you. For more information on Google AdSense, see the official Google AdSense privacy FAQ.

## More Information

Hopefully, that has clarified things for you. As was previously mentioned, if there is something that you aren't sure whether you need or not, it's usually safer to leave cookies enabled in case it does interact with one of the features you use on our site.

For more general information on cookies, please read the Cookies Policy article.

However, if you are still looking for more information, then you can contact us through one of our preferred contact methods:
